

MIZUUCHI Toshio 水内俊雄

Updated: 19 June, 2021

AFFILIATION:

[Urban Research Plaza](#) (*Joint Usage / Research Center*), and
[Department of Geography](#), Osaka City University
Sugimoto, Sumiyoshi-ku, Osaka-shi, 558-8585, JAPAN
81+(6) 6605-2070 (office: tel & fax 2069)
Contact mail address:
mizuuchi (at) osaka-cu.ac.jp

PERSONAL:

Date of birth: 13th November, 1956
Place of birth: Wakayama prefecture, Japan
Nationality: Japanese

EDUCATION:

Ph.D. Geography, Osaka City University, 2000.
M.A. Geography, Kyoto University, 1984.
B.A. Geography, Kyoto University, 1982
B.A. Seismology, Kyoto University, 1980

EMPLOYMENT:

2016- 2020	Vice Director, Contribution and Collaboration Center for Community, Osaka City University
2007-2016	Vice Director, Urban Research Plaza , Osaka City University
2006-	Professor, Urban Research Plaza (concurrently Department of Geography), Osaka City University
2004-2006	Advisory Executive of Presidential Committee, Osaka City University
2003-	Professor, Department of Geography , Osaka City University
1995-2003	Associate Professor, Department of Geography, Osaka City University

- 1990-1995 Associate Professor, Department of Geography, Toyama University
- 1988-1990 Junior Associate Professor, Department of Geography, Toyama University
- 1985-1988 Assistant Professor, Department of Geography, Kyushu University

SUBJECTS OF RESEARCH:

- # Theory building for urban study pursuing and realising capacious and resilient city
- # Advisory activity to NGO /NPO who assist vulnerable and disadvantaged people
- # Advisory activity to urban rejuvenation projects (with Japanese metropolitan governments, and their residents)
- # Advisory activity to minority group movement (Japanese former outcaste people, Okinawan, day-laborers, underprivileged people)
- # Development of Assisting Program for Self-Independent of the Ex-Rough Sleepers
- # Comparative survey of urban housing-poor, homeless people (rough sleepers) and its counter-measures in Japan, Hong Kong, Taipei, Seoul, Shanghai.
- # Studies of urban housing, squatter settlement and homeless issue (In Japan, Korea, Turkey, Hong Kong, Taipei, Shanghai)
- # Historical analysis of urban development and planning (both in Japan and the former colonial era of Japanese Empire)
- # Field research conducted in Turkey since 1990 on topics including squatter areas, housing, tourism development, immigration and social change. since 1998, research conducted in Japan on homelessness.
- # Studies of modern urban history in Japan.
- # Critical Studies on the development of public works in Japan (especially, civil engineering works, riparian, harbour, railway, road....)
- # Historical critical inquiries about geopolitics and geographical thought in Japan

Interview research for the people who experienced the drastic transformation of their region by the W.W.II and related military invasion

[Managing Field Satellite of Urban Research Plaza](#) by the *Osaka Employment, Welfare, and Housing Problems Research Association, 2005-*

The chief of *Osaka Employment, Welfare, and Housing Problems Research Association*

In the cities of Japan and East Asia, the phenomena of housing insecurity, for example the problem of homelessness, are problems requiring urgent solutions. In the midst of insecure housing conditions that result in homelessness, this is an interdisciplinary project keeping up with the latest aid measures throughout the path from homelessness to temporary transit shelters to settled residency and employment, and carrying out survey research that leads to the swift development of aid measures and activities that aid in policy formation.
